#9-Vietti

This is another producer in the same boat as Giacosa. I've always loved the wines of Vietti and they make up a large percentage of my cellar, but the wines have recently been priced out of my reach with current releases of their single vineyards routinely selling for well over \$100 a bottle.

Still, the achievements of Vietti can not be ignored and nor should their very well priced Castiglione bottling, a blend of some very fine crus in their own right.
