

"This is the finest, most complete set of wines I have ever tasted from Vietti. Congratulations!"

2019 Vietti Roero Arneis DOCG
91 pts

Vietti's 2019 Roero Arneis is fresh, zesty and upfront. This delightfully informal white wine lays it all out there, and there's a lot to love. The Arneis grape reveals glossy, polished aromas in which citrus and peach are offset by a touch of squeaky natural rubber.

2018 Vietti Colli Tortonesi Timorasso Derthona DOC
93 pts

This is an exciting new addition to the Vietti portfolio. The 2018 Colli Tortonesi Timorasso Derthona is a compact, medium-bodied wine that offers a large span of neutral aromas ranging from melon and quince to Golden Delicious apple.

2018 Vietti Barbera d'Alba Tre Vigne DOC
91 pts

This is the most accessible of the five expressions of Barbera made by Vietti. It opens to dark cherry and blackberry with good textural richness at the back. There is a lot of fruit fiber and support here to counter the abundant blackberry and cherry flavors that are so characteristic of this grape.

2018 Vietti Barbera d'Asti Tre Vigne DOCG
91 pt

It is a vibrant red wine teeming with energy and electricity. Those berry tones of cassis, cranberry and black currant pop from the glass. Primary fruit remains the focus, but that fruit is nicely framed by contours of spice and toasted nut.

2017 Vietti Barbera d'Alba Vigna Scarrone DOC
93 pts

It is defined by a spot of sweetness backed by generous layers of dried blackberry, plum and black cherry. This vintage offers a generous level of intensity that is soft and almost succulent in character. There is so much primary fruit in this wine, but the complexity and the varietal character of the grape remain beautifully intact nonetheless.

2017 Vietti Barbera d'Alba Vigna Vecchia Scarrone DOC
94+ pts

Made with precious old vines, some of which have reached the 100-year mark, It is a deep, dark and luscious red wine. It tops the charts in terms of color intensity and fruit heft. The concentration and density of the wine is considerable; however, the mouthfeel never feels heavy or overdone.

2017 Vietti Barbera d'Asti La Crena DOCG
94 pts

It opens to all the sunshine, exuberance and richness that come with wines from this hot vintage. It maintains its acidity and tart berry profile despite the soaring temperatures. This is more evident with fruit from the Asti area. This wine offers textual weight all backed by tangy freshness. La Crena is partially made with fruit from old vines, planted some 90 years ago.

2017 Vietti Langhe Nebbiolo Perbacco DOC
92 pts

A wine with a diehard fan club, it is drinks like a young Barolo but costs a fraction of the price. I really need to say little more because that accurately sums up the vast appeal of this classic and versatile Nebbiolo. The bouquet is expressive and fresh with wild berries, blue flowers, spice and tobacco.
