SEMIANNUAL REPORT: JULY 11 – DEC. 20, 2018

The second half of 2018 saw a diverse collection of red, white and dessert wines—and even rosés—that were worth a spot in your cellar or in your drink-now queue, compiled weekly in the *Wine Spectator Insider*. Since our last Semiannual Report in July, 945 such wines, scoring between 92 and 99 points, have been featured.

France had the most wines represented, with 299 selections achieving classic and outstanding scores. Half of those came from the Rhône Valley, which enjoyed excellent recent vintages; Champagne and Burgundy were also well represented. California came in second, with 209 wines, led by Cabernet, Syrah and Pinot Noir, in that order. Then Italy, with 190 wines, had a great showing with ageworthy Barolos and super Tuscans, as well as great-value Chianti Classico. An additional eight countries and two U.S. states are featured here. A stunning three wines are tied for this semiannual's top honor: Krug Brut Blanc de Noirs Champagne Clos d'Ambonnay 2002, Quinta do Noval Vintage Port Nacional 2016 and Domaine St.-Préfert Châteauneuf-du-Pape Collection Charles Giraud 2016 all received a whopping 99 points, the highest score in these pages.

Wines are arranged here in alphabetical order by producer within their regions. Those highlighted as Hot Wines when first published in the *Insider* are marked with a diamond (◆). Each listing includes the wine's score and price; for complete tasting notes, please search our online database at WineSpectator.com.

WINE SPECTATOR'S TASTERS

The Most Experienced Team of Wine Journalists in the World

Wine Spectator's tasting staff includes 16 tasters and tasting coordinators in two offices. They work together to review more than 16,000 wines each year; more than 380,000 reviews are available in our online database. Together, our 11 tasting editors count more than 250 years of tasting experience.

We always taste wine blind, in our offices in Napa and New York. This is your guarantee that our reviews are fair and objective, and that a wine's reputation or price does not influence its score. Each editor specializes in the wines of specific regions; initials appended to the review identify the taster of each wine. We score wines using the 100-point scale (see green box).
