

Roero Arneis 2007

Designation: Estate-bottled, Roero Arneis DOC

Region: Roero, Piedmont, Italy

Grapes: 100% Arneis

Winemaking: The grapes are selected from vineyards located in the middle of the Roero area, in Santo Stefano Roero. The vineyards are planted with 4,000 plants per hectare. Beginning in mid-September, grapes from 25-year-old vines in Santo Stefano Roero are harvested, pressed and clarified. The grapes are crushed, pressed and clarified. Alcoholic fermentation occurs in stainless steel autoclave at lower temperature (12-14°C) to preserve some natural CO₂ from the fermentation.

Ageing: There is no malolactic fermentation which preserves acidity and freshness. The wine is held in stainless steel tanks until bottling.

Description: Pale sunshine yellow color with fresh floral, citrus and melon aromas with hints of almonds. An unoaked, dry, medium bodied white wine with crisp acidity, the Arneis is well-balanced, elegant wine with good complexity and a lingering finish.
